Goals	Actions	Priorities
To encourage people to worship God	commission a Worship Planning Team	Establish a team of parishioners who will enhance the weekly worship experience. The team will ensure a mixture of traditional and innovative elements in worship services. Elements could include; music, drama, dance, videos, creative readings and other imaginative media.
	expand music ministry	Employ alternative musical elements. Involve parishioners to increase the use of contemporary hymns, interpretative music, guest musicians and increased role of aesthetic expression.
	3. honour the spiritually of youth	Increase the youth involvement in the parish. Solicit input and feedback from youth. Invite them to suggest ways the church can help them grow in faith. Advocate for youth.
	4. enhance service delivery	Connect with today's media-savvy culture. Use multimedia to create new opportunities and enhance services (visually display bulletin, order of service; increase online communication).
	5. develop a welcoming environment	Review all aspects of the experience of church attendees. Provide "hospitality" training to church volunteers, expand amenities provided by the church, improve building accessibility.
	6. offer new expressions of worship	Increase use of creative worship styles and times. Diversify prayer styles, music selection, sermon style and congregational involvement.
To empower the disciples of tomorrow	grow a vibrant Sunday School	Create a dynamic opportunity for young people to grow in their faith. Increase use of theme packages. Emphasis on highly engaged, active learning opportunities (singalongs, drama, play and crafts).
	enable young adults to explore their faith	Include parish youth in all church activities. They participate in the service and contribute to the life of the church (e.g., counters, readers, Eucharistic assistant, vestry, outreach, etc.).
	provide adult Christian education	Offer programs to develop leadership within parishioners. Leadership programs would include administrative aspects of church life

			and personal spirituality (how we act in the community).
To provide scripture,	1.	provide faith	Develop programs to explore God's word, the
tradition and reason	2.	development opportunities challenge, nourish and support the journey of faith	sacraments, leadership, discipleship and church teaching (block sessions on specific aspects of faith). Programming inside and outside the service.
	3.	enhance worship by exploring truths and asking difficult questions	Contemplate life's complex topics and moral dilemmas during worship. Topics within liturgy, prayer, sermon, readings and music will challenge parishioners to consider (e.g., sexuality, media influence, distribution of wealth, secular world, etc.)
To nurture Christian			Establish an environment that fosters a
fellowship	1.	enhance hospitality and welcoming ministry	positive experience. Increase modern conveniences, encourage a more casual experience, foster a friendly atmosphere (provide refreshments and snacks, engage in informal socials before and after service, provide Wi-Fi, etc.)
	2.	provide fellowship at every worship	Increase Christian fellowship. Develop social time before and after service. (i.e., greeters training, fellowship lunch after worship, following up with new members, maintain an active membership list)
	3.	extend parish celebrations of fellowship increase sense of community	Celebrate our parish family relationship. Increase the number of music nights, family nights, parish meals, movie night and sports nights.
To grow Christian faith			Develop community outreach ministries to
	1.	develop community partnerships	give back. For example, awareness and health programs such as drug/gambling addictions, mental health, senior advocates or supporting the working poor.
	2.	increase community visibility advertise parish activity	Inform the general public and promote parish activities. Develop a communication plan and provide creative consistent messaging (create a logo/image, advertise, expand use of social media, etc.)
	4.	encourage stewardship	Invite parishioners to participate in ministries such as worship, education and service. Engage congregational resources such as time, talents and money. Increase awareness of the

	1		in a set of fine a sign of the second sections.
			importance of financial giving in supporting
			parish ministry (shift income source, begin a
			visioning financial campaign).
			Develop ministries that support God's people
	5.	expand parish	in the 21 st century. Spreading the Word by
		evangelism	integrating social media, enhancing hospitality,
			diversifying the liturgy.
	_	1	Develop the church property/equipment to
	6.	adjust the church	ensure that we can fully take part in our
		building to meet our	community of faith. Increase; accessibility,
		needs	modern amenities and multimedia.
			Communicate to every parishioner regarding
			the parish's fiscal requirements. Develop an
	7.	renew the long-term	understanding of everyone's role in meeting
		fiscal plan	financial demands. Strive to be fiscally stable.
		•	Provide regular fiscal updates (overall and
			personal), appeal to the congregation for more
			help.
To reach out to others	1.	expand home	Develop a team ministry to visit sick, hospital,
		worship	senior's home.
			Develop parish literature (bulletin, newsletter,
			information sheet).
